

# CELEBRATING 12 YEARS SERVING MUNDS PARK & NORTHERN ARIZONA COMMUNITIES!

A **FREE** COMMUNITY EVENT EVERY SATURDAY!  
**WELCOME BACK!**

The Pinewood Farmers' Market (PFM), also known as the "Munds Park Farmers Market," is held every Saturday, beginning, May 29, 2021 (Memorial Day) through Saturday, September 04, 2021 (Labor Day) from 9:00 a.m. to 2:00 p.m.

The PFM is adjacent to the Munds Park Community Church, which is on the west side of I-17, directly off Munds Ranch Road.

The PFM is a **free** public community market so we **ALWAYS** invite local Munds Park restaurants, bars, and businesses to participate in the market first prior to bringing outside Flagstaff and/or Valley small businesses into the market. **We believe in supporting local businesses and teamwork.**

The PFM is a unique, outdoor, **free** market located in the small, quaint resort community called Munds Park, Arizona, which is directly off I-17, Exit 322. At 6,500 feet elevation, Munds Park is generally 20 to 25 degrees cooler than the Valley and a quick jaunt for summer visitors looking to escape the oppressive valley heat.

Only 21 miles south of Flagstaff and just under two hours north from the Carefree highway the Munds Park community is nestled alongside the beautiful Coconino National Forest and framed by gorgeous, tall Ponderosa pine trees. Munds Park is widely regarded for its variety of outdoor recreation opportunities in all seasons. One of those recreation opportunities consists of walking or biking down to the local community market and perusing a wide variety of market vendors and artisans each Saturday, which is free to the public and a great opportunity to meet new friends while enjoying local food vendors, artisans, and musicians.

Other more rigorous recreation opportunities include the Munds Park Trail System, which is a collection of trails surrounding the town designated for hiking, mountain biking, and ATVs. Munds Park is an extremely popular summer destination for off-road and All-Terrain Vehicles. The Arizona Trail passes between Munds Park and Mormon Lake. At large camping is allowed in the adjacent Coconino National Forest for portions of the year.

Originally designed to serve the local Munds Park community the market has grown to serve market attendees from Yavapai, Coconino, and Maricopa Counties. We strive to serve guests to the upmost of our ability and take pride in serving market attendees and representing the Munds Park community. The humble origins of the market began in memory of Irene Wapinarek for the sole purpose of creating a **free** community event so that families and friends could come together for fun, food, and laughter as well as to meet new friends!

Please contact Market Coordinators Maryellen at (602) 819-6396, Susan at (602) 320-6634, or Bill at (602) 320-6895 for more information on becoming a vendor and/or artisan at the market. Market space is limited therefore market selection is on a first come basis so please submit applications early!

**See you at the market!** Maryellen, Susan, Lisa, & Bill

**During COVID19 restrictions ALL vendors and artisans shall wear masks at booth and shall have hand sanitizer readily available for themselves and market attendees. Also, the PFM shall have hand sanitizer stations throughout the market as well.**
